FRAUD ALERT NOTICE
PERSON OF INTEREST: VIMAL AJAY PRABHU, CHENNAI, INDIA

Dear Madam, Dear Sir,

Greetings from the Directorate of Protocol, UNADAP, in New York, United States!

1. UNADAP is an organization accredited under the UN ECOSOC (MORE) and the UNFCCC with Consultative and Observer status. Leaders of UNADAP are accredited at either all or one of the UN offices in New York, Geneva and Vienna. UNADAP is registered under the relevant statutory laws and is a legal entity. All of the leaders of UNADAP reside outside of India. Reference, <https://unadap.org>
2. This is to bring to the notice of the public, that a person by the name of Mr. Vimal Ajay Prabhu, alias vapchristopher, claiming to be an employee of a reputed organization, Apollo Hospitals in Chennai, has committed fraud, sexual harassment, and defamation of women employees of UNADAP, as he had done to his ex-wife. His father had stated to his friends that Prabhu was previously jailed for brutalizing his wife and abandoning his infant daughter in 2013, which caused him to hate women.
3. Prabhu has been writing to several individuals from fake social media profiles and harassing female employees of UNADAP offices in India and the U.S. via telephone calls and social media. Thinking that this man is mentally unstable, his sexual harassment and verbal abuse was overlooked, but it was reported. The fact of the matter is, Prabhu and his father, Michael Prabhu, had brutalized Prabhu's wife, publicly humiliated her and sent e-mails to prominent male journalists and television editors, who were her colleagues; with compromising and intimate details. This, to the extent, his ex-wife, a journalist and accomplished author, changed her name back, and resigned from journalism all together. He abandoned his infant daughter whom he has not paid child support for, since the brutality and abandonment in 2013, and has not cared for his daughter since. In respect to the privacy of his ex-wife and child, we are not publishing the content that he has shamelessly posted against her on social media, and the disgusting e-mails that he had sent.
4. When Dr. Dominic Dixon, the Executive Director of UNADAP had condemned such misogynistic behavior of these inhumane and abusive men who defame the mother of their own child; Prabhu's father, Michael Prabhu took it upon himself to write against several leaders of UNADAP, and leaders of religious institutions, with the attempt to defame the leaders and humiliate the women of their families. In 2017, Michael Prabhu had fabricated documents to claim allegations against Dr. Dominic Dixon, the then Head of R&D of UNITAR'S CIFAL-B, stationed at the UN office in Vienna, causing unrest at the United Nations offices in Geneva and Bangalore, because of the forgery of documents by Michael Prabhu. After a thorough investigation, the United Nations had declared Michael Prabhu as a "fraud" and "imposter". Please refer to Annexure 1 for the document.

5. A police report was registered against this fraud, but at the time he had gone in for a bypass surgery, so in sympathy, we withdrew the arrest after his wife Angela had pleaded with Dr. Dixon, through the Church elders. Please refer to Annexure 2.
6. Now, Vimal Ajay Prabhu has continued the inheritance of his father's trade of defaming women and leaders, with the Prabhu-family's anti-national activities, causing communal disharmony by speaking derogatively against the Hindu culture. These men have no limits to their abuse of religious freedom and harmony, to the point that they have a website condemning the Indian culture and have even self published a book condemning Indian cultural practices. In a democracy, each one has a right to personal convictions, but that does not give anyone the liberty to destroy the fabric of the nation of India, and especially, to destroy the reputation of women. Reference to their website, <https://ephesians511blog.com/2020/07/20/compendium-of-new-age-deceptions-and-corresponding-church-teachings-medications-and-meditations-in-the-new-age-book-author-michael-prabhu/>
7. Michael Prabhu and his partner, Sunil Francis Lobo have been in this crime and cases were registered against them. Lobo worked for ELEKROBIT software, which subsequently terminated his employment after finding him guilty of disrobing women of their modesty with defamatory and derogative social media posts.
8. At UNADAP, we believe in freedom of speech, expression, and criticisms as well. But, when the content of expressions are fabricated with mala fide intention of libel and are defamatory to women, we have an obligation to defend the truth and protect our women.
9. The interim investigation has backtracked the legacy of the origin of his posts on social media and via WhatsApp. Anyone found to be circulating the defamatory content; aiding and abetting with these criminals would also be subject to prosecution in the relevant court jurisdictions.
10. An official enquiry is underway and if you have any information about these criminals and women-haters, you are requested to contact us by e-mail, phone, text or WhatsApp, on protocol@unadap.org, and, +1-917-727-7927. Your information will be treated with utmost confidentiality. Our legal teams in the U.S. and India are initiating criminal action.
11. The modus operandi is that these deranged men attempt to discredit the character of innocent women, and when UNADAP had confronted such disgusting behaviors, they have now attempted to discredit UNADAP and its officers. Victimization through online bullying and defamation has been one of the biggest issues that vulnerable woman have had to deal with, and UNADAP will be at the forefront fighting this battle, even if our officers face the wrath from such unscrupulous men, as we already have.

Thanking You,
For and on behalf of the,
Directorate of Protocol, UNADAP

ANNEXURE 1a

August 8, 2017

Dr. Dominic F. Dixon
Bangalore

Subject: Letter of apology

Dear Dr Dixon,

This missive comes to you from the Board of CIFAL Bengaluru of the United Nations Institute for Training And Research (UNITAR), in regards to the false allegations made against you in May 2017, by Bruce Phillipowsky and Nicholas Phillipowsky from the United States, via emails and phone calls. Thereafter, they had engaged in a nexus with Michael Prabhu, an impersonator, calling himself as a Catholic Apologist and Francis Sunil Lobo, an employee of Elekrubit, also claiming to be a Catholic Church official.

In all that has transpired, our office, headed by a senior Director, has thoroughly investigated all the allegations made by the above-mentioned culprits and our findings denote that you are free from every allegation made against you.

When the above-mentioned delinquents had contacted our office in Bangalore and the UNITAR Headquarters in Geneva, making disturbing allegations against you with an arbitrary citation, in my haste, I had erroneously responded to these malefactors and removed your name from the official website as directed by Alex Meija the Head of DCP for UNITAR, who also did not verify the false allegations.

ANNEXURE 1b

We recognise that our actions were not in keeping with the United Nations and organisational confidentiality clause by responding to the culprits. I also recognise that I did not verify the matter with you, even though the Chairman, Dr Ken Gnanakan, was aware of your innocence, as you had communicated the matter in detail with him on four occasions via phone calls and texts, when he had brought the matter to your attention.

We understand that you and family feel betrayed and hurt. We deeply regret our actions and apologise to you and your family.

We are seeking legal action against the above mentioned perpetrators.

Yours sincerely,

Anupa Gnanakan
Executive Director
